Agenda

Part 1: Key trends in giving & nonprofit operations

Part 2: A deeper look at a few specific trends

Part 3: Conclusions & success stories

Part 1: Key Trends Overview

Trends: what we saw in 2023 and what we expect to see more of in 2024

Technology Trends

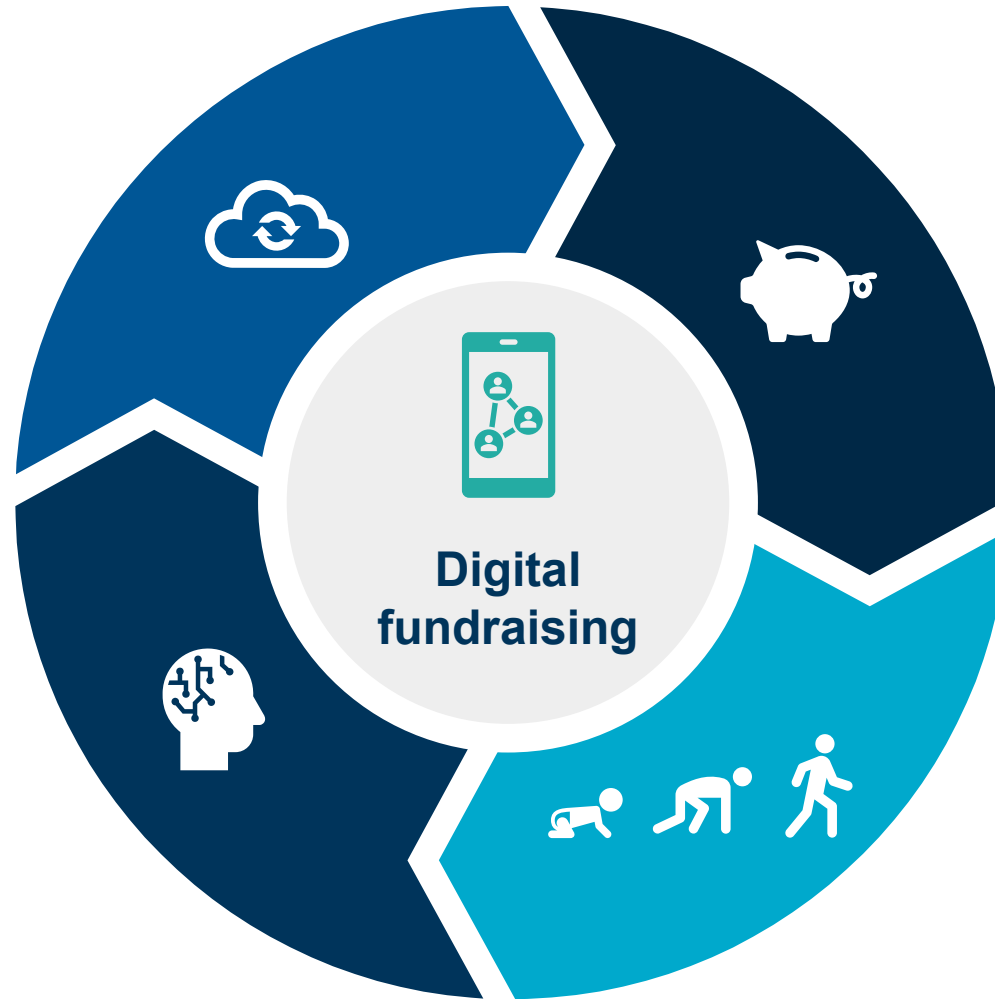

**Changes in Individual Giving and
the Giving Market**

2023 & 2024 Trends

Technology

Cloud-based,
SaaS software

Artificial
Intelligence

Donor-Advised
Funds

Giving

Generational giving
preferences

Technology Trends: Cloud-based software

Licensing

Software as a Service
(SaaS)

Other licensing models

Data storage

Cloud-based software

On-premise

Technology Trends: Staffing & Artificial Intelligence

Nonprofit Staff Locations

One mission. One organization. One platform.

Identity, security, management, and compliance

Part 3: Conclusions & Success Story

How embracing these trends allow for data-driven decision making

Success Story

"Thanks to Sylogist, we were able to respond immediately online to requests as they came in because we had zero downtime or business disruption during one of the most destructive storms in history."
