**One
Platform**

FUNDRAISING, DONORS,
FINANCE & REPORTING

8 Fundraising Features. 1 Connected Platform.

01 Donor Management

See every gift, interaction, communication, relationship, and engagement in one complete constituent profile.

02 Campaigns & Appeals

Plan campaigns, manage appeals, process gifts, segment audiences, and track fundraising performance from one platform.

03 Major Gifts

Build and manage major gift pipelines, track moves management, cultivate prospects, and strengthen donor stewardship.

04 Grants Management

Manage grant opportunities, applications, awards, restricted funding, compliance, and reporting throughout the grant lifecycle

05 Events & Engagement

Manage fundraising events, registrations, participation, communications, and follow-up while connecting every interaction back to the donor.

06 Fundraising & Finance

Connect gift processing, fund allocations, reconciliation, and financial reporting to create greater visibility from donation through financial management.

07 Reporting & Analytics

Track campaigns, donor engagement, fundraising pipelines, giving trends, and organizational performance with real-time dashboards and Power BI.

08 Microsoft Productivity & AI

Connect Dynamics 365 with Outlook, Teams, Microsoft 365, Power BI, and Copilot to reduce administrative work and keep fundraisers focused on relationships.
